Riders will receive trailer decals and decals for the race machines. Riders wear your shop shirt to the track. Tag us in all your rider's posts, even if it doesn't have to do with racing. Make sure you tag us or message us about how you did at the races so we can keep track, so you get your discount.

If you're going to be at the same race as us, please stop by the pits and hand out. If you need anything stop by so we can help. If you have an order placed and are going to be at the track, we will gladly bring it on race day.

Have an awesome race season!
